

Partner Protection Policy

Policy summary for partner-led and white-label Android device programs.

Policy statement

Your customer remains yours. Vantora reviews redacted briefs, signs NDAs, supports white-label delivery and does not contact your end customer outside the agreed project structure.

Area	Default Position	Evidence or Control
Redacted intake	End-customer names are not required for initial feasibility review.	Project brief can use customer type, country, workflow and quantity range.
NDA-first review	Sensitive technical or commercial detail can wait until NDA execution.	NDA request and controlled file handoff.
White-label delivery	Neutral documentation, labels or logistics flow can be scoped where practical.	Build spec and packaging record show the requested handoff state.
Non-circumvention	Vantora does not contact the end customer outside the agreed project structure.	Commercial boundary recorded in partner project notes.
